

## Audition Piece 1    Father and Eve (pg 76-78)

Father        Eve, my daughter

Eve            Father!

Father        Night has fallen

Eve            Why can't I see you?

Father        You'll see me soon enough

Eve            Then it is time for me to die?

Father        It's nearly time

Eve            Tell me, Father. Is Cain alive?

Father        Cain is alive

Eve            And did he find some happiness?

Father        He found some happiness.

Eve            Thank you Father

Father        No thanks to me

Eve            Father.

Father        Yes my daughter?

Eve            I've missed you (starts to cry)

Father        Don't cry my child. You have done well.

Eve            I've done my best.

Father        You have born Seth. A strong new life.

Eve            He's strong enough.

Father        In Seth and his family, I place my hope.

Eve            But, Father, what if they disappoint you too? What will you do then? What if...

Father        No more questions, daughter Eve, it's time to sleep.
