

CODS Committee Meeting 05.03.25 6.30pm

Present MC, CP, PW, LB, SM, AB, NG, CS, HC, HH

1. Apologies GM
 2. MC Thank you to all of you for giving up an extra hour for this meeting. I was disappointed but not surprised by Allan Fourarce's email of resignation from his position as CODS resident Musical Director. I have spoken to Allan regarding Choral 2025 and he has agreed to attend two rehearsals and MD the Friday and Saturday nights for £100 a night, with Karen and MC to do the other rehearsals. The band had agreed to do the 2025 concerts last year so it will give Allan a nice send off to do one last concert.
Proposed CS Seconded PW All in favour Unanimous
 3. Food Choices
MC would really like to do the two-course meal this year for one last time, and for the subcommittee to come up with a questionnaire for the audience to complete on the night to see how they would like to go forward regarding the food choices at choral. Sub committee to meet before next committee meeting to discuss
 4. HH to produce a letter/email for expressions of interest to MD Joseph, and potentially become our new resident MD. Suggestions to include Simon Carter, Alfie Pugh, Lucy Wellsman, HH will contact Lyn Burgoyne for contacts email addresses
 5. HH Kirton quarterly we are not listed as an organisation and BATB is not listed as an upcoming event, MC I will follow up as I was given different information
 6. NG From Simon Gould has requested we consider giving three free tickets to Britannia Lanes as they have been really good to us, been really flexible and given us preferential rates. All Agreed
