Nunchucks!

Willkommen! Bienvenana! Nanunanu! Go ahead, say hello to the person next to you. No! Not the person you came with. The other person next to you. The one you don't know yet. The one you will be making out with by the end of the show! That's right. The box office hooked you up . Yes....we are taking you back to an even sexier time....the Reagan era!

Yes my babies. Welcome to the Sunset Strip! A magical concrete forest of fairies and foolish mortals. A majestic ACID WASH EPICENTRE. Here, where we lay our scene, if you had a dream, a fifth of Jack and a decent amount of hair, there was nowhere else to be.
