

Scene 4

Drew and Sherrie into "I Wanna Rock"

Sherrie Ticking your sack, huh?

Drew Oh, hey. No, that's just, rock stuff. Metaphors....regarding, y'know the injustices of, um, making people....tickle balls. It's super complicated.

Sherrie Nice hook though, Reminds me of Judas Priest's "Eat Me Alive" SQUEALING IN PASSION AS THE ROAD OF STEEL INJECTS

Drew I love you

Sherrie What?

Drew Nothing. What were you doing?

Sherrie Dramalogue said they're having an open call for some movie. Eskimo Hot Tub Policy. Figured I'd go down and try out. Not sure what (reads) suggested fellatio is, but sounds like I better work on an accent.

Drew Wow. Right off the bus and hittin' auditions. That's cool.

Sherrie Well, I didn't come all the way from Paola to just sit on my butt, right?

Drew I guess that's true

Sherrie Where are you from Drew?

Drew Detroit. Michigan

Sherrie I know where Detroit is. So you came all this way to be a rockstar, Wolfgang?

Drew I don't know, I guess

Sherrie Guess? There's no guess. "You want something"?
You want to be one of those multi-platinum gods? You just gotta take it.

Drew Okay

Sherrie Okay, what?

Drew Sure, yeah, I'd like....

Sherrie Like nothing. Forceful. Right now. What's bustin out your heart, Drew?

Drew Well.....

Sherrie Don't think. SAY IT WOLFGANG
