

Scene 6

Dennis, Lonny, Drew

Dennis WILL YOU PLEASE....are you wearing lipstick? (to Drew)

Lonny (Enters) GODDAMN IT!!

Dennis And whats your problem?

Lonny Our opener for the Arsenal show dropped out?

Dennis Concrete Balls? I love those guys.

Lonny Apparently so do crabs.

Drew So wait, does that mean the slot's open?

Dennis Easy Tiger!

Lonny How 'bout Steel Jizz? They kinda rip.

Drew I'm only saying, if you're auditioning

Dennis A) You don't even have any originals. You know I don't put up cover bands

Lonny Or, there's always.....Taint

Drew But I've been writing Dennis, killer stuff

Dennis Killer stuff, eh?

Wait. Lonny – Go set up the stage

Lonny Testing, one two...testing. Nutmeg, nutmeg. Real quick. Contrary to the rumours floating around our company retreat last summer. I have a perfectly normal penis which I am able to use to adequate effect.

Dennis LONNY!

Whoa! STOP STOP. What was that?

Lonny I thought it was kinda kickass

Dennis Kid, you had the start of something nice. Up until that "make your boobies hard" I mean, you realise boobies don't get hard, right? Nipples get hard.

Drew I knew that.

Lonny I knew that as well. Will you excuse me?

Dennis Kid, you got chords that suggest some real emotion. So you tell me, what are you really singing about?
